

We live in a world filled with all kinds of evil enough to make our lives miserable every day. But the good news is we are not hopeless because Jesus came to give us the victory. He is the Key to Living a Victorious Life. He said, "... in me you may have peace. In the world you will have tribulation. But take heart; I have overcome the world (John 16:33 - ESV)." This album is borne out of the artists' struggles in the world and victories in the Lord JESUS CHRIST. It is their prayers that everyone who listen and sing these songs will experience victory in JESUS.

JESUS
THE KEY TO VICTORY

Road to Redemption
John 14:6

A scenic landscape featuring a paved road that stretches into the distance, flanked by golden-brown fields. In the background, a small white building is visible on the left. The sky is filled with dramatic, dark clouds, with a bright sunset or sunrise on the right side, casting a warm glow over the scene. The overall mood is peaceful and hopeful.

HE'S ALWAYS THERE FOR YOU

Music: Andrew Pineda

Lyrics: Christine, Crizel and Cleo Pineda

When you feel you're all by yourself
And you're feeling lost in the dark
Just call on Him
He will be there for you

Anything you want in your life
But don't have anyone by your side
Just count on Him
He will be there for you

Chorus:

God is waiting for you to call on Him
He is waiting to put your trust in Him
If you'll just take time to realize
He's always there for you

If there is a problem too big
He will take that problem from you
Just trust in Him
He will be there for you

When there is a storm in the night
He will be the light in your sky
Have faith in Him
He will be there for you

Repeat Chorus X2

Lead guitar adlib (Instrumental – 6 bars)

I SEE THE VICTORY

Music and Lyrics: Samuel Driz

Verse 1

Everyday I'm always fighting
Endless battles inside of me
It seems like I'm always losing
I wonder is there victory

I try to win my battles
I try with my might, my strength, my soul
But I found my answer
It's in giving all to You

Chorus

Now I see it, I see the victory
When I call upon Your name
I see the promise that You have given
Allow me to proclaim
How Your Son came down to us
And showed us the way
Praise be to God, praise be to God
You have conquered the grave

Verse 2

Now it seems like there is hope
Through the cold and dark days
Rays of light are shining through
And I will stand for victory

And now I win my battles
It's not through my might, my strength, or my soul
For I found my answer
It's in giving all to You

Chorus
